

## WD Partners Approved as Registered Education Provider by Project Management Institute

Columbus, OH – September 17, 2013 – WD Partners today announces that the Project Management Institute (PMI), the world's largest project management member association, has named it as a Registered Education Provider (R.E.P.) effective August 13, 2013. R.E.P.s are organizations that have been approved by PMI to help project managers achieve and maintain the Project Management Professional (PMP)®, Program Management Professional (PgMP)® and other PMI professional credentials. These organizations have met PMI's rigorous quality criteria for course content, instructor qualification, and instructional design.

WD Partners is offering a PMP bootcamp open to the public. Classes will be 5:30-8:30 pm every Monday night from September 30, 2013 to December 16, 2013. The deadline to register is September 20, 2013 and the maximum number of attendees is 24. After successful completion of the course, attendees will have accrued 35 hours of project management. Please contact Gabrielle Wlodarsky (gabrielle.wlodarsky@wdpartners.com) to reserve a spot in this bootcamp or for more information.

WD Partners joins more than 1,500 R.E.P.s in more than 80 countries. These organizations include commercial training providers, academic institutions, and corporate training departments within corporations and government agencies.

**About WD:** WD Partners helps food and retail brands innovate through strategy, design, architecture & engineering, and implementation services. WD Partners works for the leading regional and global brands. For more information, please visit [www.wdpartners.com](http://www.wdpartners.com).

**About Project Management Institute (PMI):** PMI is the world's largest not-for-profit membership association for the project management profession. Our professional resources and research empower more than 700,000 members, credential holders and volunteers in nearly every country in the world to enhance their careers, improve their organizations' success and further mature the profession.

PMI's worldwide advocacy for project management is reinforced by our globally recognized standards and certification program, extensive academic and market research programs, chapters and communities of practice, and professional development opportunities.
